SUPPLEMENT TO
REPORT NO.

1. In the near future, 2,000 Volkspolizei of the DDR HVdVP will be transferred to East Berlin. The exact date of this transfer is unknown, but orders for the move have already been issued. These reinforcements are needed because of the increased traffic problem caused by the removal of street barriers between East and West Berlin. It is not known from which districts of the DDR the reinforcements will come, but 300 will come from the Criminal Police School in Arnshbach.
2. Five hundred of the transferred police will be assigned to the East Berlin Polizei-Praesidium. Five hundred are to be quartered in the Berlin-Rummelsburg police building. Quarters assigned for the remainder are not definitely settled. They will probably be quartered in bars, restaurants and cafes which have been closed by the police for various reasons and located in the precincts in which the police are assigned.

Comment: The HVdVP should not be confused with the HVA (Paramilitary Police) in the Russian Zone of Germany.
